COSMOPOLITAN LIVING

BOLD EXPERT

Berlin Sans is based on a brilliant alphabet from the late twenties, originally released by Bauer with the name Negro, the very first sans that Lucian Bernhard ever designed. Assisted by Matthew Butterick, David Berlow expanded this single font into a series of four weights, all complete with expert character sets, plus a dingbat font. Imaginative & little-known, it promises enticing opportunities to the imaginative typographer; FB 1994
