Ecstatic Reviews

DISPLAY ROMAN

Miller, designed by Matthew Carter, is a 'Scotch Roman,' a class of sturdy, general purpose types of Scottish origin, widely used in the US in the last century, but neglected since & overdue for revival. Miller is faithful to the Scotch style – though not to any one historical example – and authentic in having both roman & italic small caps, a feature of the originals; Tobias Frere-Jones & Cyrus Highsmith added to the series; C&C, FB 1997–2000

15 STYLES: ROMAN, ROMAN SMALL CAPS, AND BOLD, ALL WITH ITALICS, IN TEXT SIZE;
LIGHT, ROMAN, ROMAN SMALL CAPS, AND SEMIBOLD, ALL WITH ITALICS, PLUS BOLD, IN DISPLAY SIZE

GRUMPY WIZARDS MAKE TOXIC BREW FOR THE EVIL QUEENS & JACKS. LAZY MOVER TO quit hard packing of the papier-mâché jewelry boxes. Back at my quaint garden: jaunty zinnias vie with flaunting phlox. Hark! 4,872 toxic jungle water vipers quietly drop on zebras for meals! New farm hand (picking just six quinces) proves strong but lazy. *For only about \$65, jolly house wives made 'inexpensive' meals using quick-frozen vegetables.* Jaded zombies acted quaintly but kept driving their 31 oxen forward. At my grand prix, J. Blatz was equally vilified for his funky ways. **My grandfather spent his day quickly carving wax buzzards, mostly from junk.** When we go back to Juarez, Mexico, do we fly over picturesque Arizona? Murky haze enveloped a city as jarring quakes broke forty-six windows. Pack my box with five dozen liquor jugs. Will Major Douglas be expected to take this true/false quiz very soon? *A mad boxer shot another quick, gloved jab to the jaw of his dizzy opponent. Just work for improved basic techniques to maximize your typing skills.*
