

Naive Ornaments

The title "Naive Ornaments" is centered on the page. The word "Naive" is in a smaller, blackletter-style font, and "Ornaments" is in a larger, similar font. The text is framed by two symmetrical, intricate black flourishes that resemble stylized floral or scrollwork patterns, one above and one below the text.

Naive Ornaments is an excellent collection to use in arts and crafts works, books of arts, stationery, wedding invites and many other.
