

CRIPTOFONT
AND

CRIPTOFONT ORNAMENTAL

The CriptoFont and CriptoFont Ornamental were thought to be used alone or together, providing a nice solution to the project, be it a book, an invitation, or many others. CriptoFont Ornamental has two kinds of ornaments, one used in the beginning of words or sentences (using the uppercase keys), and other to be used to close words or sentences (using the lower case keys). See the samples.

A decorative border of black ink-drawn vines and leaves frames the text. The vines are thin and curvy, with small, dark, rounded leaves. The border is symmetrical, with a larger, more complex floral motif at the top center and smaller, simpler motifs at the bottom corners.

ORNAMENTS

Ornaments

A decorative border of white floral and vine motifs on a black background, framing the text. The border features intricate scrollwork, small flowers, and clusters of berries.
