yo-haw!

...הלאה! אנו מחפשים את המלך של העולם...

some day in the early 21st century, in a city under construction, a little boy stands looking at a construction site, amazed with whatever he sees there. Now in the little boy, the someone designed shares all the traces of diggers and building machines in the mud. What if one could read these traces? What would be the secrets they reveal?
In this very moment, something begins...

Kellapila black & Kellapila oblique designed by peter guelles.
have fun. ☺
