International is an homage to mid-century modernist triline. Offering contemporary, well-balanced proportions and a lack of heavily dated styling affectations, International brings a uniquely modern sensibility to the triline style. International features OpenType standard ligatures, discretionary ligatures and stylistic alternates as well as a standard set of accents and symbols to provide a versatile end-user experience.

The hopes and most sincere desires to succeed are often met with difficulty.

How will the final inning be played tonight? Let's go ourselves and see.

There will be many curtain calls before the closing.

Speaking of my suspension.....

In previous chapters we have seen how our views of the nature of time have changed over the years. Up to the beginning of this century many people believed in absolute time. That is, each event could be labeled by a number called time, in a unique way, and that all clocks would agree on the time interval between two events.
