Bold & Bold Italic

Palaima

Palaima is a geometric display font, its name means word-image and is inspired by our aboriginal pictographs, Palaima was created to compose texts informal, where each character is an entertainment, featuring several variations of this font letters to make more enjoyable composition. Palaima has a set of characters that include swash, stylistic alternates, ligatures, fractions and twenty funny icons. Palaima was selected in the third Biennial of Latin American Typography "Tipos Latinos" also was honored by the Ruben Fontana's journal Tipográfica of Argentina "Best Latin American Typographic Creativity".

Primate

Primate is a typeface family that works both as a display font for reading, casual and informal as it approaches the forms of nature, hence the name Primate. Primate's family comes in a full range of weights, from the thin Ultra Light to Heavy Black, all weights are also presented in italics and all have ornaments. Primate is a natural and fun to composetexts, giving the design work of a contemporary look.

UltraLight	<i>UltraLight Italic</i>
Light	<i>Light Italic</i>
Regular	<i>Regular Italic</i>
Medium	<i>Medium Italic</i>
Bold	<i>Bold Italic</i>
Black	<i>Black Italic</i>

RadioTime

Tune In On Who Sees You

RadioTime comes with two styles: Regular and Tooled, in standards connected letters to imitated continuous handwriting and it's provided with specials characters like Swash, terminals, lower case numbers as well as an unlinked set of characters. RadioTime comes also with a wide kind of icons and ornaments.

Teppy

Teppy is a display typeface inspired by the symbolic forms of the Venezuelan ethnic roots.

Based on a very precise geometry of open forms that produce a double letter in form and counterform.

Teppy is held in a very precise geometric construction based on rounded forms, each letter

is a form envelope enclosing another in counterform, is a letter to display.

Teppy comes in four versions Regular, Light and Thin, and there is a double line version enclosed. Teppy recommended for creative headlines for the label and packaging design aimed at all ages.
