About:

Delicious Pro from Yes Please is a bold, contemporary take on the classic Americana script. Inspired by the vibrant history of early 20th Century American packaging vernaculars, Delicious Pro delivers a unique flavor packed with gestural personality perfect for headlines, packaging and more! Delicious Pro features conventional ligatures, a standard set of accents and symbols, and a full set of extended custom styling ligatures to provide a versatile end-user experience. Delicious Pro has played hard for Nike Women's Training, Nike Sportswear, IFC and many more. Delicious Pro is designed by Lee Schulz.

The hopes and most sincere desires to succeed are often met with difficulty.

How will the final inning close out tonight? Let's go ourselves and see!

There will be a great many curtain calls before closing this evening.

Speaking of upheld suspensions, I am applying for review.

There is something deeply surprising about this line of thinking. We tend to assume that some people are simply more creative than others, that originality is a predetermined personality trait: if a person isn't born with the right kind of brain, he'll never be able to compose an original song or come up with an idea as innovative as Post-it notes. But creativity isn't a
