## About

Montauk Pro is named after a small village in Suffolk County, New York on the South Shore of Long Island. It is the easternmost area in Long Island, and thus the easternmost area in New York State. It is home to Montauk Point State Park, site of the Montauk Point Lighthouse. It is named after the Montauk Indians. Montauk Pro is a casual, jaunty and quite beautiful handwriting script. It comes with six styles as light, light italic, regular, regular italic, bold and bold italic, each style with about 900 characters covering the complete Latin glyph set for West and East including Baltic and Turkish, including a large selection of ligatures and alternates to make this beautiful script design a perfect font for OTF-savvy applications.
