Sintesi Semi builds together with both Sintesi Sans and Sintesi a megafamily. An unusual combination, because both Sintesi Semi and Sintesi belong to the category of hybrid fonts. Each one manages the synthesis between sans and serif on its own way. While Sintesi Semi scores because of its robustness and its contemporary look, Sintesi surprises with a perceptible feather-ductus and traditional forms ...

Thanks to its good readability and wide set of styles and glyphs, Sintesi Sans suits perfectly to a wide spectrum of applications. The inadequacy of the modern digital media still does not allow a consequent use of ligatures on all platforms. Thank to an innovative approach Sintesi Sans manages indeed to ensure an almost consistent appearance of the font, in the typographic cultivated artworks on paper as ...
