See! The winter is past; the rains are over and gone. Flowers appear on the earth; the season of singing has come, the cooing of doves is heard in our land. The fig tree forms its early fruit; the blossoming vines spread their fragrance. Arise my darling; my beautiful one, come with me. Awake, north wind, and come south wind! Blow on my garden, that its fragrance may spread abroad.

Let my lover come into his garden and taste its choice fruits.
