Stefania

Jacques-Louis David (August 30, 1748 – December 29, 1825) was a highly influential French painter in the Neoclassical style. In the 1780's his cerebral brand of history painting marked a change in taste away from Rococo frivolity towards a classical austerity and severity, chiming with the moral climate of the final years of the ancien régime.

Overview

Stefania is an elegant chancery script, designed with wedding invitations specifically in mind. A contemporary take on chancery scripts, Stefania retains a traditional calligraphic feel. Its features include a more pronounced slant for an elegant and dynamic flow and plenty of swash capitals. With ample flourishes and frills, including a score of alternate characters, Stefania works well in a variety of creative uses. This formal script is perfect for projects that call for a sophisticated appearance.
