Kasuga

Jacques-Louis David (August 30, 1748 – December 29, 1825) was a highly influential French painter in the Neoclassical style. In the 1780's his cerebral brand of history painting marked a change in taste away from Rococo frivolity towards a classical austerity and severity, chiming with the moral climate of the final years of the ancien régime.

Overview

Kasuga, Japanese for spring day, is a contemporary script with eastern influence. Kasuga's pointed and fluid brush strokes evoke the orient with just a hint of the west. Kasuga is perfect for designs that need an Asian atmosphere.
