CursivoSaxonio is a typeface inspired in the famous book "The Case of Charles Dexter Ward", by H P Lovecraft and shows better I get with my studies the authentical "Insularis" or "Cursivo Saxonio" handlettering of the VIII and XI centurys used for some peoples at british islands

"Corwinus necandus est. Cadaver aq(ua) forti dissolvendum, nec aliq(ui)d retinendum. Tace ut potes"

Եօրաշնար ղեւոյձար Եր
