

It is an herb of Venus, and  
diseases she causes by sympathy;  
by antipathy; you may use it  
boiled with other the like  
short time it eases all griping  
humours in the stomach,  
jaundice, by opening the spleen  
and melancholy, by opening  
expels venom or poison, and  
urine and women's courses  
drank for some time together  
are troubled with the sciatica  
gout in hands, knees or feet  
some honey and a little butter  
to gargle any sore mouth or  
and ulcers in the privy part  
helps green wounds, being  
juice of it boiled with a little  
wonderfully cleanse fistula  
or eating of cancers and ulcers  
wheals, and other breaking  
out of the skin.

## PERFECT FOR TEXT & TITLE

*SMALL CAPS ARE GREAT. He is the story of one man's fight against his own past and his attempt to prove himself to the world against the sea, although it is not autobiographical. The arrival of the treacherous Contleman Brown shakes the peace Tim has created.*
