**Reservation Wide** is intended for headlines with its *snug* letterspacing and extended forms, but its simplicity will accommodate smaller sizes and lower resolution displays. OpenType Stylistic Alternates for characters 'a', 'g' and 't' lend an even simpler finish... 'a', 'g', 't'.

The hand-drawn curves and angled stroke endings temper the otherwise rigid proportions of the family.

This painterly tendency becomes more apparent in the heavier weights and keeps them from appearing too imposing. I see the angles beginning to smile back with a sort of reserved, almost cheerful nonchalance.

The design first took shape as a custom typeface for the The Food Network. It can be seen in their growing online and printed presence in addition to their broadcast identity for which it was developed.

## Reservation Wide - Regular : 8/14

Pack my box with five dozen liquor jugs.  
Waltz, nymph, for quick jigs vex Bud.  
Sphinx of black quartz judge my vow. Crazy  
Fredericka bought many very exquisite opal  
jewels. How razorback-jumping frogs can  
level six piqued gymnasts! Jaded zombies  
acted quaintly but kept driving their oxen  
forward. Six big juicy steaks sizzled in a  
pan as five workmen left the quarry. Will  
Major Douglas be expected to take this  
true-false quiz very soon? The juke box  
music puzzled a gentle visitor from a quaint
