BLUE GOBLET FRAMES AND VIGNETTES OVERVIEW

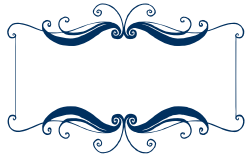

The designer favorite Blue Goblet series has been extended once again, with Blue Goblet Frames and Vignettes. These animated and lively frames and vignettes can be resized easily without any loss of quality, and can easily be converted to outlines and modified. Combining them to form unique compositions or inserting them into chapter headings are just a few ideas for these versatile ornaments. Please see the sample .pdf to see all 96 Frames and Vignettes in action, and be sure to check out the original Blue Goblet brush script and Blue Goblet Ornaments. Blue Goblet Frames and Vignettes is a collaboration between insigne Design and Portland Studios.

Use this sample .pdf as a guide to quickly refer to your favorite Frames and Vignettes. All the Frames and Vignettes in this guide are sized at 75pt, and the copy and headers are set in Blue Goblet.
