Sturdy and humane, Armitage renders type with vintage American warmth. Even with a subtle sparkle, Armitage stays humble to let words work.

Rather than build on recent trends, Armitage starts over, derived from designs of the late nineteenth century. Designer James Puckett cast a wide net for source material. Letters from sign manuals, inscriptions, period posters, and architecture inspired Armitage as they inspired the designers of the nineteenth century.

Armitage's asymmetrical strokes and subtle flares prevent monotony by rolling with the cadence of language. Six weights and italics make Armitage suitable for a wide range of tasks. Sturdy features stand up to adversity. With a strong jaw clenched in a grin, Armitage is always ready to work.

Friends, Romans, countrymen, lend me your ears; I come to bury Caesar, not to praise him.

Long Primer Armitage Thin Italic.

The evil that men do lives after them; the good is oft interred with their bones;

Pica Armitage Thin.

So let it be with Caesar. The noble Brutus Hath told you Caesar was ambitious:

Great Primer Armitage Thin Italic.

If it were so, it was a grievous fault,

2 Lines Pica Armitage Thin.

And grievously hath Caesar answer'd it.

ACKNOWLEDGEMENTS

I made my first forays into type design eleven years ago. I had no clue what I was doing or who to ask for help, gave up, and did not try again for years. The second time around I had access to everything I needed to know via Typophile.com. When I needed to learn more in person from professional type designers I found them at the Typecon conference. Typophile and Typecon only exist because of the hard work of the people at Punchcut and the board of the Society of Typographic Aficianados. Armitage is dedicated to them.

I must also thank the following people:

- James Mosley for writing *The Nymph and the Grot*. This essay and the accompanying illustrations had a powerful influence on the design of Armitage.
- Josh and Paul for taking time to provide helpful criticism
- Erik and Tal for making such great software
- Everyone who contributes to the diacritics project
- All the amazing friends who encourage me
