

OC HVTN A Z

LECO

LECO / 1983

ROK VÝROBY

1983

BLIND NEGATIVE

MŇAM & MŇAM

A font family LECO 1983 is a headline display OpenType typeface with its three alternatives:

LECO 1983: regular

LECO 1983 BLIND:

without interiors of signs

LECO 1983 NEGATIVE:

in its inverse form.

The inspiration for creating this font came from the title at the 1983 bottle of Lečo.

The characteristic feature of this font is an embedded diacritic. The monolinear character of drawings is dominant. This font is drawn as capital letter type for both: upper case and lower case letters. It contains alternatives of some signs (e, f, g, m, n, y) and (& and a glyph N^o) but it consists several interesting alternatives (ligatures) of pairs as (in, on, of, by) as well.

The strenght of this font could be mostly used on strong posters or as a headline display typeface.

Písmo LECO 1983, je akcidenčné, titulkové OpenType písmo v troch alternatívach:

LECO 1983

LECO 1983 BLIND:

zo zaspelenými vnútromi znakov

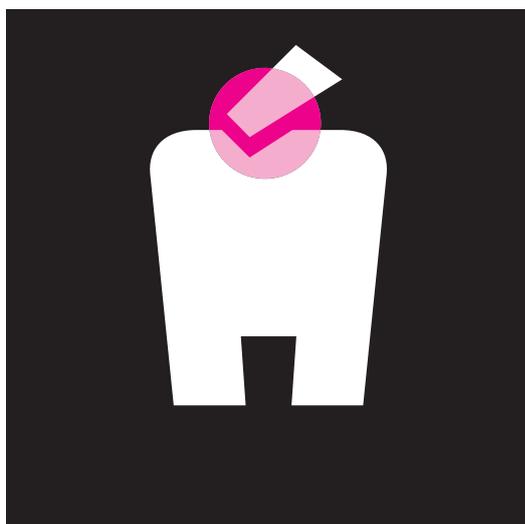

LECO 1983 NEGATIVE:

ve v inverznej podobe.

Prílohou písma bol nápis na zaváraninovej fľaši od Leča z roku 1983.

Charakteristickým rysom je zapustená diakritika. Prevládajúci je monolínearny charakter kresby. Písmo je nakreslené ako verzáľkové aj pre minúsky. Obsahuje však alternatívy niektorých znakov (e, f, g, m, n, y), alebo (& a znak N^o). Zaujímavým sú aj niektoré alternatívy (zliatky) dvojíc (in, on, of, by).

Síla tohto písma sa najlepšie uplatní na úderných plagátoch, či v titulkovej akcidenčnej sadzbe.
