The Eagle series realizes the ideas behind Morris Fuller Benton's famous titling, Eagle Bold, the symbol of American recovery, drawn in 1933 for the National Recovery Association. Font Bureau Eagle was started in 1989 for Publish. David Berlow designed a lowercase, finished the character set, and in 1990 added Eagle Book for setting text. In 1994, Jonathan Corum added Eagle Light and Eagle Black to form a full series; FB 1989-94
